FROM: A. E. TAYLOR, DEAN, GRADUATE SCHOOL

TO: ALL EXAMINING COMMITTEE MEMBERS

Enclosed is the oral examination schedule for the 1970/71 spring semester. Written examinations (for non-thesis candidates) are left entirely to the major advisor in cooperation with other committee members, but these should be completed prior to May 7, 1971.

Your name has been circled wherever it appears in the schedule and if there are any circumstances which make it impossible for you to be present at the scheduled time, please call the Graduate School Office (2150) at once. If a change in date, time and/or place can be worked out to the satisfaction of other committee members and the candidate, please feel free to make changes. We would appreciate being informed in writing of such changes, however.
