Dear Don:

Many thanks for your good letter of October 2. Yes, I have heard from Bordes. He promises to come late February or early March for six to eight weeks, but can't be firm about details yet. I hope that you will be able and willing to come to Tucson for a week while Bordes is here. I can provide a good honorarium so that you won't have to worry about expenses. We are also writing to Trixier to see if he can be here for a week with you and Bordes.

I don't know what the deal is on the conference at Tempe. As you may know, the people there are not too responsive to our open door policy, so we have no information on what they are planning. In any event, I am using teaching salary funds to finance all of this, so my main concern is to provide a rich educational experience for our own students.

Hope your trip to the east is successful. Don't worry about the Hohokam paper. We know you will get it done and that it will be good when it comes. It is worth waiting for.

Best regards,

Raymond H. Thompson
