Dear Don,

We are more than pleased that you may be able to come to Los Angeles in February. I have no special engagements pending and we will be most happy to see you at any time. My lecture times are 10-11 Monday, 10 - 3 On Wednesday and 10-11 on Friday, at other times I am free.

We will have the use of film and slide projectors in the Department.

Please let us know how long you will be staying in L. A. I hope it will be long enough so that we can go over the films and slides in several sessions.

Our private address is 1608 Brockton Ave. Apartment 1, West Los Angeles, Calif. 90025; phone 4775974. It is one street up from Bundy Drive and one block south of Santa Monica Boulevard. My University room is Haines Hall 382 and Phone extension 3630. I can usually be found there in the hour before each lecture.

We do hope you will let us know as soon as you arrive in L. A. Are you driving?. If not we could pick you up at the airport and take you to your motel. There are motels in Santa Monica which are relatively near where we live. We expect you to dine with us as soon as we can get you within our grasp.

Guess you will be glad to get away from the winter snows for awhile, even if the alternative is L. A. smog.

Warmest New Year greetings to you both.

Norman B. Tindale.

P. S. Everbody at home was so thrilled with the photo of us and say it is the best and most natural we have ever had taken. Congratulations and thanks to the photographer.
