Dear Evelyn, just a note to say how much we have enjoyed knowing both yourself and Don and now have two more good friends to add to our list on this side of the world.

We will spend a day or so in Honolulu and several in Fiji and arrive home on Sept 8th. Too good to be true and I maybe will realize it when I am finally on the Adelaide plane.

Our stay in the mountains paid off as the Tribal Book has been accepted by the University Press and our deadline is Sept 69. So we will be busy in between trips planned.

Hope you can make it over our way some day am sure you would like it.

Will remember your hospitality and many pleasant times spent together and will hope for further get togethers later.

all the best to you both and success and good health.

Sincerely yours Dorothy
