Dear Don,

A very short letter: I'm so busy with my excavations in Lebanon! I'll be back in France on the 1<sup>st</sup> of sept.

I received your cards and your letter. Thank you very much.

Now, let me tell you about an important point for us: the University of Chicago invited me for one month (march or april). I'll give some lectures. Do you imagine how glad I am! because I am planning to take this opportunity to meet you in Idaho. I'll be so happy to work with you on flint knapping for a week or so... You invited me so kindly! - <sup>see 2.55</sup>

I'll give you further informations.

I hope you found time to rest and be quiet after your busy summer... My kind regards to Evelyn  
Very sincerely, Your friend Jacques
