Dear Don,

Thanks for your letter of Feb. 6. Hope you are now in good condition after your second flu .

Clark Howell and Art Jelinek wrote me, so I have to change my dates.

I propose you :

- Don's home ( coming from Chicago ) from the 9 th to the 19 th of April. Juliette will come back to France about the 13 th.
- Then, if you agree, we shall go to Tucson together and have a week in Jelinek's Department with François.

I'll come back to Paris on the 28 th of April.

Please, let me know if all is O.K. for you. It will be fine to meet François in Tucson...

M. Dauvois got a letter from Dr V.J. Schaeffer. He will send him some photographs of his work on "fracture" surfaces.

Our warmest regards to Evelyn. We are impatient to see you both and visit your beautiful country.

Your friend,

Jacques
