Dear Don,

Thank you very much for your letter (march 17). Sorry you didn't receive one of my letters.

I changed my dates for Chicago. I'll go from Tucson to Chicago on the 28th or 29th of April.

I'll be at your home (coming from Paris) from the 10th of April to the 19th of April.

My flight is :

~~X~~

10 April

Salt Lake City (6h 05) RW 470 (Air West)

Twin Falls : 6h 59 (in the morning).

Unfortunately Juliette will not be able to join me : her mother (83 years old) has to be operate for cataract on the 11th of April. Juliette is very disapointed^P

I'll phone you from Salt Lake City if my plane is late. I send you a copy of this letter by an other airmail to be sure you'll get it.

I'll bring my film with me but there is a problem : it's a 35 millimeters color-sound-film. I hope your T.V. studio can show it. I'll be much interested to see yours.

- About Marie Wormington and Dr. Swanson : okay if you agree.

Hope you've a better weather than in Paris: it's snowing !..... Spring is not yet awake here

Please, my kind regards to Evelyn.

I'm so anxious to meet you again,

your friend,

Jacques
