Dear Evelyn,
Dear Don,

I just received your letter, the brochures from Las Vegas and the printing from the local paper. Thank you very much. Don't be worry about the errors...the reporter was so pretty...

Happy to know you had a nice drive back to Kimberly.
Hope Little Fellow is fine.

I can't tell you how enjoying was my time in your home. Just Beautiful. Lots and lots of things to relate to Juliette...

I gave my first lecture this morning and I'll be back in Paris next week on the 17th. I'll write you a long letter.

My best regards to Don's mother
& sisters.

Thank you so much!..
Your friend,
Jacques

P.S. Have a good rest and "do your thing!"
