

Paris, 22<sup>nd</sup> of June

Dear Evelyn,  
Dear Don,

I would like first to excuse myself for writing so late, but I had some exams to sit for, so I didn't find time enough to write you.

The second thing I want to do is to thank you so much for the presents you gave to my father. I must say how delighted I was with the wonderful opale you so kindly offered me. It will be a so nice gem for a ring!

I promise you I'll send a photograph of myself with the Spanish comb which is really splendid.

I saw the photographs my father brought from U.S.A. and I think I'll go to America as soon as I can! It seems to be a so beautiful and natural country, especially Idaho and Arizona. I hope my studies will permit me

to go and see your country during one year.

Here in Paris, traffic, noise and business make the life awful and tiring. Fortunately, the weather is nice now and it is more enjoyable to work in the city. Anyway, I'm expecting very hard for the vacations to rest and escape with my father at "la Fameli"

I hope to see you if you come in France, I'll try to progress in my English.

yours sincerely

Dominique Tixier
