Dear Mr. CRABTREE,

I have received TEBIWA and I go to say you that your article composed with the collaboration of F. BORDES is a very good and very interesting work. My work is almost finished. Perhaps, I shall have the chance that it will be published also in english, and if it is not now, certainly in the future. To complete it, I want go to ask the titles of yours films and the titles of yours films with F. BORDES on stoneworker, obsidianworker, etc. with the references of the editors for buying

I should be very glad if you could tell me about as soon as it is possible to you.

With my thanks, I wish you many good experiments and also many statements,

Faithfully yours,
