

Doha Dec. 14th 79

Dear Don,

I got your last letter. It is always a great pleasure for me to get news from you.

I'm presently on field work in Qatar, but ... do you know what? I'll be in the States (two conferences in Dallas Texas, Ice Age Art Colloque) from February 1st for about one week. Would it be possible for me to go to a place named Kimberly, Idaho, and have two or three days with a friend named Don Crabtree? I'm so willing to do it and so anxious to know if it doesn't worry you ... I will be free since Feb. 2nd in the evening. I plan to fly from Dallas to Boise on the 3rd (DFW 18.03

BOI 2145) and phone you from Boise ... or would you be kind enough to send me the time tables of the planes Boise - Twin Falls or any other instructions and schedule at your convenience? ... My address is:

Best, best wishes.

Jacques

P.S.: I'm crossing my fingers...
