Dear Don,

I am now back from Qatar without too much trouble.

I do hope you are much better, and almost out of it...

I would like, very frankly, very sincerely to tell you my pleasure for the very good and very positive time I have had with you. It was just great...

Thank you for all, from my heart of hearts.

Please, Don, don't answer, I'll get news from Gene

My best wishes,
Love,

Jacques
