

Rio April 25th 80

Dear Don,

I hope you are better and better . . .

I spent ~~two~~ weeks, here, in Brazil, to give lectures and to demonstrate in Rio, São Paulo and Belo Horizonte. Beautiful time, beautiful weather, beautiful ~~raw~~ material and beautiful girls! . . . I can assure you I'm not complaining! . . .

I'm going back to Paris and will write you a true letter from there . . .

Un gran abrazo! . . .

Jacques

My best to Wilma and Gene
