

Dear Evelyn,

Dear Dou,

I apologize for this long delay, without writing you, or sending you the photographs I promised you last spring, but I had to wait for a friend to print them off. Unfortunately, they are very bad, so, I decided to send you the best one (that is really ugly!) and another one, without the comb, but better. I think I'll be able to send you a good one with the comb and a Spanish dress in about a month.

I hope, of course, come and see you in Idaho, but I have to wait for my studies to be a little more forward with prehistory. I think I'll have my "Licence" in one or two years, then, I'll surely come to USA. in order to study anthropology, that is my main object with prehistory. On another hand, I go on studying English. I guess it is really good for me, for I do like speaking English.

Winter is now here, in Paris, and
the city is very "sad;" I hope you will
ski for these Xmas holidays. I think they
began on the 23rd of December.

I hope you will enjoy your Xmas
in Mexico;

Be sure I'll be very happy to
see you if you come in France.

Yours sincerely,

Dominique
