Dear Mr. Crabtree:

Dan Morse has forwarded your request for chunks of high quality novaculite to me as the famous Hot Springs quarries are in the area for which my station is responsible.

I contacted Mr. Frank Thompson of Arkansas Abrasives in Hot Springs who kindly supplied me with over 100 lbs of freshly quarried material. More can be gotten when and if you need it, he says.

This material will be sent to you immediately after the Labor Day weekend.

Please let me know if you need more.

Sincerely yours,

J. Cynthia Weber
Survey Archeologist
