Dear Don:

With my wife Consie and 9 month-old son, I am headed this June for Seattle, then on to Alaska. We are driving a camper and are thus completely self-contained. If it at all meshes with your schedule, we would like to stop by for a short visit. I am estimating Pocatello area c. June 12th. Hope it works out; would be nice to see you again.

All best wishes,

Frederick Hadleigh West
