

Ca. 11-636

We left Germany where we are basing
this research leave at Tübingen Univ.,
with Hans Müller-Beck to come down
to the PanAfricanists meeting in Addis
Ababa. Came on here at invitation of
Leakeys to see Olduvai. Really spec-
tacular. It was so close to Christmas
we elected to stay over so now we
go back tomorrow where we will
celebrate a warm un-white Christmas
walking that wonderful place.
Think about the possibility of an
Alaskan visit next summer. F & C
