Dear Don and Evelyn -

A note to thank you for the wonderful time we had during our visit and to hope that you are now feeling much better. I was very sorry to hear of the accident. When these things happen, they happen so quickly and unexpectedly that you are in no position to counter them.

I am enclosing the extract from Catlin's last Rambles about flint knapping that I promised you. I had hoped to get a better copy of the water color drawing that goes along with it but did not get around to it. When I return I will try again if you want it and if you cannot get a copy of the Book from the JSU library. The title is "George Catlin: Episode from 'Life Among the Indians' and 'Last Rambles'", Edited by Marvin C. Ross and Published by Univ. of Oklahoma Press, 1959.

We will be at the Pecos Conference in Flagstaff and then on Sept 4 we leave Boulder for the east. It will be a long and tiring 10 months but I hope an interesting and profitable one as well -

Pat joins me in best regards -

Sincerely,

Jae
