

15 May 1978

Dear Don -

This is just a note to thank you for contributing to my enjoyment of this year's SAA meetings.

Ruthann Knudson spent some of your money for wine at a WSU "alum" dinner, our last night in Tucson, and it was a very pleasant end to a stimulating set of meetings.

I only wish you could have been there to share them with us.

Sincerely,

Leslie Wildesen
(Ph.D - WSU '73)
