Dear Harriet and Vance:

I hope you are enjoying your new home, and I am surprised to find that you are now in Buffalo, New York.

I want to tell you how much I have appreciated your remembering me by your cards. I have them all in an album now, and they bring back many pleasant memories of your travels and Dierkie's Lake. The collections you brought with you to Dierkie's from the Greek Islands have provided much valuable information related to pressure blades and polyhedral cores.

I do hope that you and Vance will get back to Turkey and the Greek Islands.

My belated congratulations to you both.

Your friend,

Don Crabtree
