Dear Don —

I called you up last night to see how you're doing & your line didn't answer (as usual!) — so I tried the operator to check if I had the right #. She said "Oh! Don Crabtree is on a trip." What a close community you have!

Anyway I found out that you are well & are enjoying Spring. That's good.

I am teaching in the University here and have to give

cell.6.8.1

a flintknapping demonstration
in about 4 weeks.

As soon as my published
stone is in print I will send
copies to you —

With fondest regards —
your student,

HARRIET BLITZER WATROUS
