Dear Don,

Just a brief note for the time. Hope this finds you both in good health. As you might suspect, Joyce and I are both busy with our school work and archaeology.

I still have your Navajo coat and to tell the truth I haven't done anything with it yet.

If you would do me a favor I would greatly appreciate it. I am enclosing \$1.00 for a copy of Tebiwa, Vol. 7, No. 1. Would you please have a copy sent to me? Thanks very much.

Not much new here at the Museum. I am still trying to catch up on Grasshopper material. Usually takes a while to get it all finished. We had a good year there.

Guess I had better get to work. Thanks for your help.

As ever,
