Dear Don:

I thought I would drop you a note to let you know that Professor Bordes has accepted my invitation to be the banquet speaker at the Workshop in December. I might add that the Workshop committee for the program really wishes to have a live chipping demonstration which should be the highlight of the program. We, of course, want you, but if it appears as though you cannot be here I wonder if you might send me the names of one or two flint knappers whom you would recommend for this session.

Many thanks.

Cordially yours,

Chuck Bareis
Secretary-Treasurer
