Dear Don:

Just a note to let you know that we are also working on the publicity aspect for the Workshop on Illinois Archaeology to be held here December 4. To this end we are making tentative arrangements to have you perform a chipping demonstration for the local television stations on Friday afternoon, December 3 in advance of your Workshop presentation on December 4. Therefore, we would be most appreciative if you could arrange your travel schedule so that you could arrive here either Thursday evening, December 2, or on Friday morning, December 3. The television demonstration then would take place sometime on the afternoon of the 3rd. In any event, please keep the above in mind as you prepare your travel schedule.

Cordially yours,

Chuck Bareis
Secretary-Treasurer
