

*Get Well Soon*

*"Sunshine is Nature's way of  
bringing cheer."*

We've meant to come  
and see you but just  
have been so busy.

We will try soon.  
We've been thinking  
of you and hope  
you'll soon be well.

Dear Uncle Don,  
Just a friendly little note  
To brighten up your day  
And to hope it won't be very long  
Until you're well to stay.

Love,  
Andy, Mary  
& Jack
