Mr. Don Crabtree  
c/o Idaho State University Museum  
Pocatello, Idaho 83201

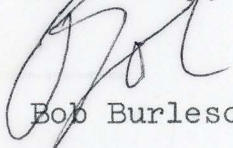

Dear Don:

I certainly appreciate your sending me the complimentary copy of Tebiwa. I have Xeroxed copies of your article and sent them to flint knappers of my acquaintance.

I have also ordered the previous issue containing the article on heat treating silica minerals, and found it thoroughly enjoyable also.

I hope you will continue with your articles, since they are an important contribution to the study of primitive technology.

Sincerely,

Bob Burleson
