Dear Don:

This is to follow up on my phone call to you in relation to the Special Topics Course, g499 Lithic Technology, which we had hoped to offer this next semester.

You indicated a willingness to serve as a special lecturer for a period of one week (5 days) during March, provided that we reimburse you for your expenses. As nearly as I can calculate, total expenses for you and Evelyn would be approximately \$300 for the week. By virtue of this letter, I am setting aside \$300 of the department's Other Expense money to be paid to you as an honorarium upon completion of your duties as special lecturer.

We are all looking forward to seeing you at that time-- especially the students. If you have any questions, please don't hesitate to write or call and if you need to shift your time one way or another, we will arrange to do so.

Best regards,

B. Robert Butler
Acting Chairman
