Dear Don:

Many thanks for yours of the 25th of June which I have not answered earlier because all my time has been taken up with various aspects of moving.

We only have a small part of the Bull Brook collection here, but I can arrange for you to see the rest of it in the hands of the collectors. It is only a short way from Andover to the place where they live, and I know that when I bring you over there they will be delighted to show you as much as possible.

It will probably be towards the end of October when I get back here, but we are only a short distance away and I can run back and forth quite easily. Please let us know.

Sincerely,

Douglas S. Byers

We've have plenty of room for you and Evelyn!
