Dear Harriett:

Just a note to let you know that I recently talked with Dr. Earl H. Swanson about your application for the summer field school to be held June 15, 1974. It looks like you have a good chance of being selected as a candidate for the school. I fell that you may plan on that date to attend unless NSF makes some unpredictable change which is unlikely.

I will look forward to meeting you personally.

Sincerely yours

Don E. Crabtree
