Dear Don,

Many thanks for your kind letter and for your discussion of the drawings which I sent. I must give you here the greetings and best wishes of the Braidwoods, with whom I spent Christmass.

I tried calling you up over the holidays, and could not get you, which I hope is a good omen, meaning that you were with friends or family. I will try again soon.

I hope that your operation was successful and that you are recovering well and quickly. I went to the AIA meetings in New York, and there saw Jacques and Louise Bordaz, who asked about you.

I will try to call you up again and will hope for your good health and happiness in the New Year.

With great respect,

Harriet
