Dear Don,

How wonderful of you to call up, and I am glad that you are getting better. I wondered if things were going well, and I was glad to hear from you.

I am teaching this quarter and possibly next quarter here at the university. I hope to be in Greece next summer, although this is not a sure thing.

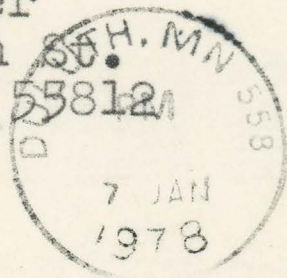

The Braidwood's are still finishing off Jarmo, which hopefully will reach completion this year. We will all go out to Turkey in the fall, if everything works out, with permits and the like.

I will write again, a longer letter. I send you best wishes for good health soon

Yours,

Harriet ☺
