

Old days, old times, old friends...

Dear Don,

We are going to Facatello
for Christmas to be with Eva
and little Gary.

I'll call on you and perhaps
have a chance for a short
visit when we go back to
Boise.

Merry Xmas and Best
Wishes to your Mother.

When we count
our blessings at Christmas...
we begin with friends
like you!

*
Love You,
Cly and Juanita
