Dear Miss Bragdon:

Thank you for your letter of July 17th and excuse the tardy reply. Have just returned from Chadron State College and am late answering letters.

If you will ~~xxx~~ write to Dr. Earl Swanson, Idaho State University, the Museum, Pocatello, Idaho 83246 and ask for the papers written by Don E. Crabtree, I think you will get the information you ask for. I have nothing here at home to send you but all my publications are available from the University and cover about everything from the Quarry to the final pressure work. I think you will find them of interest.

Thank you for your inquiry and keep up the interest in lithics.

Yours very truly,

Don E. Crabtree
