Dear Don:

I know from lack of any answer on your phone that you two are off quarrying, or cracking rocks, or perhaps just enjoying yourselves.

~~So~~, I was calling to check whether or not the pictures I sent for your article arrived. They were sent air mail but not registered.

Peggy and I, with a couple of friends, are off on Monday for three weeks vacation in Greece. Just wanted to let you know that if you write, it would not reach us until we get back.

All the best,

Junius B. Bird
