

3 points found at Punta Barcos  
south of the Rio Deseado estuary,  
Argentine Patagonia. Lat. S.

Collected by Sr. Dietrich Amalung  
in an area of shifting sand dunes  
and shell deposits on generally low  
land. Various types of artifacts present -  
projectile and knife points, skin and  
wood scrapers, many flakes. See JB  
1966 notes on Amalung collection.
