

# Men of Achievement

FOURTH EDITION SCHEDULED FOR PUBLICATION THROUGHOUT THE WORLD

IN SUMMER 1977

Thousands of Photographs

YOUR NAME has been put forward for biographical and pictorial inclusion in the Fourth Edition of MEN OF ACHIEVEMENT and I ask you kindly to complete the questionnaire overleaf and return it to me within twenty-one days of receipt, in order that our Editors can prepare your detailed biography. When you return the completed questionnaire, please enclose two copies of a recent photograph of yourself. (If you do not possess a recent photograph, please return the completed questionnaire in any case and indicate the approximate date by which you will be able to send me the photographs.)

The outstandingly successful first, second and third editions of MEN OF ACHIEVEMENT contained, in aggregate, some 20,000 biographies and 17,000 portraits. The fourth edition will, it is hoped, include up to 8,000 biographies, the vast majority of which will be illustrated.

Upon publication of the fourth edition of this important work, copies will be despatched to leading libraries, including The British Museum, London, England; The National Library of Scotland; The National Library of Wales; The National Library of Ireland; The Library of Congress, Washington, D.C.; The New York Public Library, New York City; The Bodleian Library, Oxford, England; and the Cambridge University Library, Cambridge, England. In addition, many National, State, University and Public Libraries in most countries will be receiving their specially-ordered copies. The distribution of MEN OF ACHIEVEMENT will, indeed, be world-wide.

MEN OF ACHIEVEMENT will be published in two separate Editions as under:

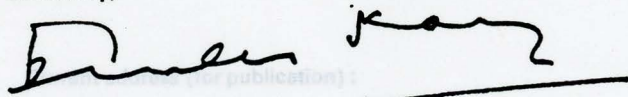

THE GRAND EDITION, printed on 70 gsm paper, bound in red with gilt lettering on the front and on the spine.

THE ROYAL EDITION, sewn and bound entirely by hand in full red Morocco leather, with 22 carat gold lettering and fine decoration. The leaves are gold-edged and the book is enclosed within a fleece-lined slip-case. The name of the owner can be embossed in gold on the front cover at no extra cost. The Royal Edition is a superb example of the craftsman's art, and early application is essential as the numbers are strictly limited.

The publication of your detailed biography and photograph places you under no obligation to purchase a copy nor is there any charge or fee for inclusion. Should you wish to reserve a copy, however, you may do so (as a biographee) at the advantageous terms detailed on the back page of this questionnaire.

With thanks, I am,

Sincerely,

Ernest Kay  
Hon. General Editor
