Dear Dr. Crabtree:

It was so nice to talk to you on the phone.

We are delighted that you will be able to participate in the Calico Conference. A number of rooms are being set aside in a lovely new motel, which is well located and properly equipped with respect to Conference proceedings. A folder is enclosed. Rates at the San Bernardino Holiday Inn are as follows:

Single (has two double beds) ----- \$12.00  
Double (has two double beds) ----- \$15.00

At your earliest convenience, please send a deposit direct to the Holiday Inn, before September 15, covering the first night's lodging and no-host dinner (\$5.00).

Registration for the Conference will be open at 4:00 p.m. on Thursday, October 22 at the Holiday Inn. You are cordially invited to attend a 5:30 p.m. cocktail party being co-hosted by Dr. and Mrs. Thomas Clements and Dr. and Mrs. Walter Schuiling. After 6:30 p.m. dinner, Dr. Leakey will make a brief statement about the Conference and its aims. (See tentative program.)

It will therefore be necessary for you to time your arrival at Los Angeles International Airport on October 22 to make connections with a shuttle flight to Colton Air Park (on L. A. Airways). These shuttle flights are available at frequent intervals -- 11:35 a.m., 1:10 p.m. and 2:40 p.m. -- and take about 35 minutes. When you make your flight reservation to Los Angeles, also make your connecting flight arrangement (schedules appear monthly in the Official Airline Guide). Your luggage will be checked through all the way to Colton. Transportation will be provided from Colton Air Park to the Inn.

We look forward to greeting you and to sharing this exciting Conference week-end, and hope that Mrs. Crabtree is feeling better.

Cordially yours,

*Mrs. Arnold Travis*
