

Dear Calico Worker----

There will be a get-together of as many of the crew as possible at the Golden Embers in Rialto at 7 PM Saturday, August 20th. The Golden Embers is on Foothill Blvd. west of Riverside Drive.

Dr. Leakey will be with us for a short while but the exact time he will arrive cannot be forecast at this time. He will make a short talk to the crew members and their spouses but, since he will be talking primarily to us as members of the crew, what he says will not be for publication and we ask that others (excepts, as mentioned, spouses) not be brought to the meeting.

While it will be necessary for Dr. Leakey and a few others (myself included) to leave the meeting and return to the Research Center where he will be examining material from the site, it is hoped that those who have pictures will bring them and the group can make an evening of it.

It will be required that each of us pay for our own food as no funds are available for this; the Golden Embers advises that they can serve Swiss Steak, Baked Ham, Roast Beef or Baked Chicken at \$2.75. This price includes tax and tip.

Please detach the coupon below and mail to San Bernardino County Museum, 18860 Orange Avenue, Bloomington, Calif. 92316 promptly as we must tell the Golden Embers how many and what food is desired.

Sincerely,

Ruth Simpson.
