FROM Herb

TO Don Crabtree, Earl Swanson, Elmo Sacket

RE: Memo #1 .. Project .. Flint-Knapping

Objective: This particular introductory session with Don C. will be to establish a firm outline of the project.
Suggest: Develop a 30-minute kinescope film that will be the introductory film in the series. It will cover in short sequences:

(1) Short, concise introduction and history of flint-knapping (5)

(2) ~~Material~~ Display of Arrow Heads .. Etc .. (3)

(3) Material .. Types of Materials used (3)

(4) Display of the tools that the archaic used and will use in demonstration (3)

(5) Demonstration of use of individual tools (3)

(6) reaction of rocks with tools and various platforms, etc.

(7) Display of some of your work demonstrating end result ...

(8) Bridge comment on individual projects or films in depth.
