Dear Mr. Don E. Crabtree,

We, I and my wife, have just received with much thanks your letter of August 7 to reply to our letter.

At first, we must express to you our hearty thanks for your leading and kindness given to our son, Hiroaki during about one month in America, especially in Twin Falls.

And secondly, we are sorry to hear from you about illness of your wife, and we sincerely pray for rapid recover of her illness.

According to our son's reports, we guess he has already spent pleasant and unforgettable times with other friends in this flintworking school, under you and your assistants cooperation. It was of course a good chance to have good friends to exchange mutual knowledge of prehistory, etc. And more, it was valuable and fruitful for him to get so many outstanding archaeologists, under your kind introduce.

In Japan, the mid summer just has gone, and the autume will begin. Accordingly every school will begin from September, after rather long summer vacation.

Hiroaki will return to our home in Kobe on or about Aug. 25, and then must go up to Sendai, Tohoku district, to have his school.

We thank you and your wife again and very glad to have you and your wife as good friends and big seniors in America.

Yours Faithfully,
