Mr. Donald Crabtree
East of City
Twin Falls, ID 83301

Dear Mr. Crabtree:

I am applying for the Summer Archeological Field School at Idaho State University. In order to be accepted into this program, I need several letters of recommendation.

I felt that since you have a close leason with these people, that a recommendation from you would be a very good source. I realize that we have only met once, but I had hope that you could find time to do this for me. I appreciate your time and interest in this request.

Very truly yours,

Robert A. Speyer
