Dear Mr. Crabtree:

I have been advised by Dr. Moore and Mr. C. McCleary of your participation in the University's summer offerings.

Employment of a non-Canadian involves Canada Immigration, and I would like to ensure that your experience with that department is both minimal and positive.

Enclosed are two documents: a copy of your contract letter from Mr. McCleary, and a letter to Canada Immigration. Please present both documents to the Immigration official you meet on entering Canada this summer. This will allow that person to grant you the required temporary status of Guest Lecturer.

I hope you have a pleasant and profitable experience with us this summer.

Sincerely yours,

Peter E. Haney
Academic Personnel Officer
