Dear Mr Crabtree,

Got your letter of May 11. Here are some of the informations you want:

Hotel price, for 1 or 2 persons, in Hotel de Sèze: *(Same price for 2)*

Room with bath: \$ 5 to 6 a day

Room with shower \$ 4 to 4,5 a day.

Room with wash basin \$ 3.2 to 3.5.

Train fare Paris to Bordeaux: First class: about 15 dollars

Second class about \$ 10

Second class is all right if you travel by day.

Transportation from Bordeaux to Talence (bus) About 12 cents. But probably you will have to do it four times a day, or at least two times if you lunch in Talence. Let us say from 24 to 48 cents a day. ~~You will have~~
~~xxxxxx~~

Meal estimate: that can vary very much. You can find good enough meals between \$ one and \$ 1.5. Count about 40 to 50 cents for ~~break~~ breakfast. For one person, of course.

Just to be on the safe side, add 10% to all these price. The cost of living never goes down, as you know. But I would be rather astonished- and somewhat frightened - if it goes up 10% before October!

As for the cameraman, it will be more difficult to find. I will ask to a friend, who was a journalist, and who should know, but he is not here now. I will write again in some days.

I will find raw material, flint from the Bergerac region, where it occurs in big lumps. But as I will not have very much time training this summer, when you arrive, you will be the expert!

Sincerely yours,

F. Bordes
