POSTE :

Dear Don and Evelyn,

I have had no news from you since we met in Illinois. I hope that no news is good news. Here we are about all right. Denise is almost her old self, and I guess it is now just a matter of time. As for myself, I thought for a time that ~~xx~~ it was my turn to have a nervous breakdown, but I hope I am over that now.

I am flying to the States on March 25th, to visit Denver, Tucson and San Francisco. And, if you are all right in Twin Falls, I will come for some days. I could arrive on Sunday 9th April, and have to ~~xxxx~~ leave for Boston on April 12 or 13.

Let me know if it is all right with you.

With all the bloody work, I have not touched flint since our meeting, except for a very short demonstration for my students!

Bien amicalement aux Crabtrees!

F. Bordes
