TALENCE, LE March 6, 1973

Dear Don,

Got your letter of Feb. 12. I do not think, unhappily, that I can come to Idaho this year. I will be in Montreal for a short stay in September, for a meeting on Far East Palaeolithic, but it is a long way to Twin Falls, in terms of time and money.

There are direct planes from London to Bordeaux. Why not try it?

I do not have much time for writing just now. I just wanted to tell you that I am always glad to have news from you and Evelyn.

Cécile is back in Saratoga Springs. They just bought a house in the American way, which means they will still be paying it when they move elsewhere! I give ~~them~~ them some money for it, of course, and so I am shorter in cash than I was!

Denise is all right now. Arnaud is still in school, working more or less (rather less!) & Georges is now assistant professor at the University in Economics, and had several papers published.

So, with best wishes,

Bien amicalement,
