TALENCE, LE 14 June 1973

Dear Don and Evelyn,

It may be possible that I can visit you in Twin Falls this September, for a short stay. I have a meeting in Montreal from Aug. 28 to Aug. 31. After that, I am more or less free, but with a very ~~w~~ crowded schedule. I have to go see my daughter near Albany first. Anyway, I suppose many of the people I want to see will be at the Chicago IX international Congress of Anthrop. sciences, from Aug. 27th to September 8. Will you attend to it, or will you be in Idaho at that time?

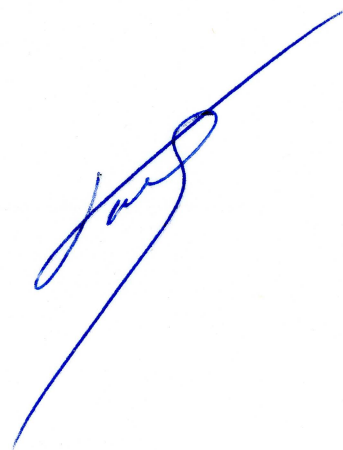

If you are in Idaho, I could may be begin my trip this way, and arrive about September 6, and stay some few days. After that, I would go to San Francisco, Denver, Tucson, and back to France.

If you are at Chicago, I will probably inverse the trip, but then I am not sure I can do it.

Can you answer me at once, since I would like to make my reservations before June 30, when I go to Dordogne.

I hope everything is all right with you. I had a wonderful trip in Danmark and Finland. Got some news from Bruce Bradley, still in Cambridge (England). I shall probably see him in Colorado this summer.

Bien amicalement,
