Dear Don,

I am a little worried not having news from you. I hope everything is well for you both. Will you be at home about September 20? If so, I could spend 3 or 4 days with you on my way back from San Francisco. Please let me know as soon as possible. If I have no answer by July 20, I will take it if it is not possible. At that time I have to make reservations.

With all best wishes,

Bien amicalement,

F. Bordes
