Dear Don,

I have had indirect news telling you are recovering from your surgery. I hope it is true. Do you think you would have recovered enough for me to visit you (for a short time) about March 31 or so, on my way to Seattle? Nothing is definite yet, it may depend on your answer. Please let me know as soon as possible, for I have to plan a very complicated trip!

Bien amicalement,

F. Bordes
