Don Crabtree

Dear Don ,

~~First~~ First of all, excuse my bad English .Happy so much you enjoy the too~~of~~ brief visit of François : to see you and speak with you is one of the best pleasure he had in his trip .

I heard from him you are thinking really to travel for change your ideas and see your friends, known and unknown . Please, dear Don, it will be my personal pleasure to receive you here, in my old ~~house~~ house , as long as you ^{choose} ~~come~~ to bewith us: you will be here as somebody of our own family , for the best and the ~~worst~~ ^{worst} There is a bedroom ready for you, food and so on .It would be my pleasure and privilege to have you at ~~my~~ home : quick answer O K and plan your travel and visit , when and as long as you choose .

Happy to understand you are trying to do as your beloved wife was so proud you were always doing . My house is open to your visit I am ~~waiting~~ waiting when you like and choose .

Kind regards .

Denise
