POSTE :

TALENCE, LE Jan. 8, 1979

Dear Don,

Not much time to write, but I want to send you all our very best wishes for 1979! The best of health for you, and happy knapping!

Here things are like usual. In a hurry! In the last month I must have written 100 letters, made 120 drawings of flints for the publication of my excavations (1956!) at la Micoque and I still have about 100 more to draw. Then also I have the Australian stuff to study!

Well, I would be glad to hear from you, if you are not too tired to write! Happy New Year again!

Bien amicalement,

F. Bordes
